Our Baby and Toddler Breaks

Whilst we are certain that you adore your little ones and wouldn't ever want to change things, do you ever find yourself longing for a bit more adult time and remember the days when you could just nip away for a rather special stay in a lovely boutique hotel?

At Luxury Family Hotels we understand the delights and challenges that come with parenting babies and toddlers. That's why we've created some extra-special breaks. Have a browse.

We hope you'll enjoy.

All our hotels provide:

- * The option of family or adult dining
- * Complimentary baby listening or, with prior notification and subject to availability, we can arrange a babysitter
- * All baby and toddler equipment. Just let us know what you need in your room.
- * Baby bottle sterilisation
- * Warm milk on demand
- * Children under 2 years eat for free (we can puree or chop food according to your needs)
- * Complimentary Ofsted registered crèche
- * Toys in reception areas
- * Family friendly staff with free smiles and warm personalities
